

CONSOLATION SUPPORT

At times the Parish receives notifications from concerned out-of-town relatives and friends regarding St. Patrick's parishioners who have received death notifications and are not in the best of health, but have no close family to attend to them. These calls are infrequent, but they do happen. In those cases, the Ministry of Consolation* may be asked by the Church Office to either visit the St. Patrick parishioner or accompany clergy on a visit to check on their well being and ensure they can manage their grief.

Please call the Church Office if you are aware of such a need.

*Minister Jo Ann Larsen, who has experience with Stephen Ministries, is the primary contact.
